

Thank you for supporting Burnaby Christmas Bureau's **Senior Holiday Hampers!**

Many low-income seniors living in Burnaby come through the Burnaby Christmas Bureau, and while we want to help all seniors in need, we cannot support everyone as we don't have enough sponsors to meet the demand. **This year, we will be moving away from one-on-one sponsorships to support growing number of vulnerable seniors in Burnaby.**

Instead, we invite donors to purchase gift cards for seniors living in poverty. Gift cards can be delivered to any Burnaby Neighbourhood House location (addresses below) and **a tax receipt can be issued with a proof of purchase (\$15 and up).**

Each hamper will include a gift hamper and a turkey meal. The value of the hamper is \$100. When seniors sign up for a hamper, they will choose their preference of the type of gift basket they wish to receive (i.e. grocery, beauty/hygiene, or clothing). Gift cards will be evenly distributed amongst the hampers and based on the senior's preference.

Why Gift Cards? Last year, we heard from seniors that they struggling to afford groceries and other necessities. We also heard about the importance of seniors being able indicate their preferences for the type of hamper they would to receive.

Suggestions for Gift Cards include:

- Real Canadian Superstore
- Walmart
- Safeway
- Save-on Foods
- Amazon

Suggested gift card denominations: \$25 or \$50.
